Rules of the River: You can load up your canoe with coolers, picnic baskets, inner tubes and other supplies. All gear – life jackets, cushions and paddles – is provided, as is parking and transportation to the river. You must sign a liability waiver before embarking. Dress appropriately, in shorts and sneakers you don't mind getting wet. If you can't afford to lose it, don't bring it with you. The normal compliment allowed in a canoe is two adults and two children, or three adults (550 lbs. maximum weight per canoe). Allow for the extra weight of your gear.

The Harpeth River is a Class 1 river, which means that it's slow-moving with a few mild rapids thrown in to wake the paddler up. It's an easy float for anyone who wants to fish, swim or just relax. Our canoe outfitter is located just 8 miles from the Park and they will provide the canoes, paddles and life vests. From their location, they will provide transportation to and from the river. They even have shaded parking so you don't have to come back to a hot car.
